Gujarat Technological University

2021 - 2025

current CGPA - **7.87**

12th Science [GSEB]

GNFC Narmada Vidyalaya

Year - 2021

Percentage – **74**

10th standard [GSEB]

Anjuman E Talim High School

Year - 2019

Percentage – **81**

PROJECTS

Portfolio Website

[Live link](#)

- Designed and developed a personal portfolio website to showcase projects using HTML, CSS, Tailwind CSS and JavaScript.
- Integrated responsive design principles to enhance accessibility.

Currency Converter Project

[Live link](#)

- Implemented seamless user interaction features, allowing effortless currency conversions with accurate results.
- Developed a dynamic currency converter using React, Tailwind CSS, and APIs to fetch real-time exchange rates.

Gradient Color Picker

[Live link](#)

- Developed a Gradient Color Picker web application using HTML, CSS, and JavaScript, allowing users to generate and customize linear gradient backgrounds.
- Implemented interactive features such as real-time gradient updates and a copy-to-clipboard function for seamless user experience.

Furni Prototype

[Live link](#)

- Designed a **basic e-commerce website prototype** named *Furni* using Figma, focusing on a clean UI and intuitive navigation for furniture shopping.
- Created user-friendly layouts with product displays, a shopping cart, and checkout flows to enhance user experience and usability.

EXPERIENCE

Front-End Web Developer Intern

Sharp Enterprise

July – August 2024

- Collaborated with the team to develop and maintain responsive front-end features for web applications.
- Utilized HTML, CSS, and JavaScript to create dynamic user interfaces.
